WORK HISTORY

UNEMPLOYED(STUDENT)

N/A

- Collaborated with classmates on group projects to achieve shared academic goals.
- Completed assignments, special projects and group work on time and achieved good marks.
- Communicated with teachers to obtain feedback, applying it to future projects.
- Attended workshops and training sessions, enhancing practical skills relevant to coursework.

HOBBIES AND INTEREST

- I love to watch movies/ tv series. And interested in making them someday. My top 3 animated movies are: 3. Isle of Dogs 2. Kung-fu Panda 2 1. Shrek
- I enjoy playing video games. I prefer Fast-paced action packed ones, but I like them all nonetheless. I owned an Xbox 360 and a Nintendo Wii as a kid and I really enjoyed 'Lego Dimensions' on Xbox and Mario kart Wii. On the Wii.
- Despite what you may think, I do not like to read. This includes my notes or novels. I've only ever finished a handful of novels but once I get invested I'm finishing the book in no less than a week. Manga on the other hand.....I've read lot. I recommend JJBA(all of them) and One piece.
